'together we can all save more'

Do you want to save £££'s on your heating oil?

The oil club has launched a heating oil club for your village. If you would like to join or find out more about the club, please visit the web site:
<http://www.oil-club.co.uk>.

The benefits are:

- Reduced heating oil costs
- Reduced heavy goods vehicle traffic through our village
- Reduced carbon exhausted into our environment

About The Oil Club

The Oil Club is an independent organisation and we have no links to any of our suppliers. Our aim is simple – reduce the cost of heating oil for our members and the environmental impact as much as we can!

How much can we save you ?

By grouping our deliveries by village or postcode sector and the bulk purchase ability of The Oil Club, we are able to negotiate with our panel of suppliers the best bulk purchase price for heating oil and pass on the saving to our members.

As the membership grows, so does the negotiating power of The Oil Club! So why not help us help you and *Join The Club* today?

How do we help the environment ?

A village with 100 members will save between 150 to 180 heavy duty vehicle trips a year through your village. A big saving on wear and tear to our lanes, roads and to the environment.
